

CREATING OPPORTUNITY WORLDWIDE

Our vision

Our vision is that the future for the UK in this crowded, dangerous, beautiful world depends on people of all cultures living and working together on foundations of education, mutual understanding, respect and trust.

Our mission is to create international opportunities for the people of the UK and other countries and build trust among them worldwide.

In Bosnia and Herzegovina, we engage with local and international partners to focus on the skills and capacity development of individuals and institutions to support the country on its road towards Euro-Atlantic integration, economic growth and the development of an open society.

Naša vizija

Vjerujemo da se budućnost Ujedinjenog Kraljevstva u ovom pretrpanom, opasnom i prelijepom svijetu oslanja na suživot i saradnju svih kultura na temeljima obrazovanja, uzajamnog razumijevanja, poštovanja i povjerenja.

Naša je misija stvaranje međunarodnih mogućnosti za ljude iz UK i drugih zemalja, te izgradnja međusobnog povjerenja među ljudima širom svijeta.

Naš ured u Bosni i Hercegovini saraduje s lokalnim i međunarodnim partnerima na razvoju vještina i kapaciteta pojedinaca i institucija, time pružajući podršku zemlji na njenom putu ka euro-atlantskim integracijama, te u oblastima razvitka ekonomije i građanskog društva.

Director's message

After fifteen years of cultural relations work in Bosnia and Herzegovina, I am pleased we continue to work together towards an improved economy, enhanced stability and better access to the EU, NATO and the global market.

The role of people on this road ahead towards a better future is critical. With this in mind, we recognise the need for the development of human resources in meeting our aims and objectives. Hence, skills development and networking is at the very heart of all our work, as we:

- Encourage people to develop and use their skills in enterprising and innovative ways, ultimately increasing their employability and ability to make a difference
- Support the development of capacity, skills and networks globally by bringing people together
- Provide access to quality English language services and development opportunities from the UK
- Contribute to social change and sustainable development
- Support schools and education authorities in establishing international partnerships and aligning with international quality standards.

We have learnt that the only way we can truly make a difference is by working with partners. Together, our impact is more meaningful in bringing about the desired change. Thus our programme will continue to focus on effective partnerships, contributing to building trust and understanding between Bosnia and Herzegovina and the UK as well as the region and rest of the world.

We look forward to working with you!

Poruka direktorice

Nakon petnaest godina uspješnog rada u oblasti izgradnje kulturalnih veza u Bosni i Hercegovini, zadovoljstvo mi je da nastavljamo saradnju na jačanju ekonomije, stabilnosti i približavanju EU, NATO-u i globalnom tržištu.

Na zajedničkom putu ka boljoj budućnosti, uloga pojedinaca je od ključnog značaja. Svjesni toga, u postizanju ciljeva naše organizacije smo se orijentirali na podršku razvoju ljudskih resursa. Stoga razvoj vještina i stručno povezivanje ljudi predstavljaju jezgru svih naših aktivnosti, u okviru kojih mi:

- ohrabrujemo ljude da svoje sposobnosti razvijaju i koriste na poduzetan i inovativan način, time u konačnici povećavajući njihove šanse za zaposlenje i sposobnost uticanja na promjene
- pružamo podršku razvoju kapaciteta, vještina i globalnih mreža, omogućavanjem susreta ljudi
- u oblasti engleskog jezika pružamo pristup kvalitetnim uslugama i razvojnim mogućnostima iz UK
- doprinosimo društvenim promjenama i održivom razvitku
- pružamo podršku školama i obrazovnim institucijama u izgradnji međunarodnih partnerstava i uvođenju međunarodnih standarda kvalitete.

Svjesni smo činjenice da je partnerstvo jedini način za postizanje stvarnih rezultata. Zajedničkim radom značajnije utičemo na postizanje pozitivnih društvenih promjena. Stoga će se naši programi i dalje odvijati kroz djelotvorna partnerstava, čime doprinosimo jačanju povjerenja i razumijevanja između Bosne i Hercegovine i UK, ali i zemalja u regionu i ostatku svijeta.

Radujemo se saradnji s vama!

Connecting Classrooms project has contributed significantly to enhanced collaboration among young people in BiH. Students who are participants in the project have developed admirable leadership, English language and presentation skills, as well as acceptance of diversity. I am incredibly proud and glad that the last three years have had a positive effect on these young people, enabling them to become true leaders in their environment.

Projekat Connecting Classrooms je značajno doprinio povezivanju mladih ljudi u BiH. Također, učenici koji su učesnici projekta ističu se svojim liderskim sposobnostima, prihvatanjima različitosti, engleskim jezikom i prezentacijskim vještinama. Nevjerovatno sam ponosna i drago mi je što su protekle 3 godine imale pozitivan učinak da ovi mladi ljudi uistinu budu lideri u svom okruženju.

Examples of our projects include:

- Active Citizens: helping people recognise their potential and exercise their responsibility to engage with others in the positive sustainable development of their communities at local and international level.
- Intercultural Navigators: developing groups of future influencers and leaders who can easily navigate within and between different cultures.
- Global Changemakers: creating opportunities for young activists, volunteers and social entrepreneurs with a passion for global economic, social and political affairs to improve the state of the world.

Sonja Budisa from Banja Luka continues to deliver trainings on motivating youth to actively participate in their local communities. She said:

I use a lot of techniques that we have learned and students are excited by new skills. It's proven again that design of Active Citizens project was one of the best and most useful programs I have attended.

Društvo

Učestvujemo u nizu partnerskih projekata s nevladinim organizacijama i predstavnicima građanskog društva u nastojanju da ojačamo platformu za dijalog, razvoj vještina, povezivanje i društvenu odgovornost.

Ako ste predstavnik nevladine organizacije ili građanskog društva s istim ciljevima koje imamo i mi, ili vaša društveno odgovorna kompanija želi potaknuti pozitivne promjene u bh. društvu, stupite u kontakt s nama kako bismo zajedno razmotrili mogućnosti saradnje.

Navodimo nekoliko primjera naših projekata:

- Aktivni građani: ljudima pomažemo da spoznaju vlastiti potencijal i preuzmu odgovornost angažmana u cilju ostvarenja pozitivnog i održivog razvoja zajednica na lokalnom i međunarodnom nivou.
- Interkulturalni navigatori: razvijamo grupe budućih uticajnih osoba i lidera koji mogu lako upravljati unutar i između različitih kultura.
- Global Changemakers: stvaramo mogućnosti za mlade aktiviste, volontere i društvene poduzetnike s zanimanjem za globalna ekonomska, društvena i politička pitanja da poboljšaju svijet u kojem žive.

Sonja Budiša iz Banja Luke i dalje nastavlja obavljati treninge za motiviranje mladih da aktivno sudjeluju u svojim lokalnim zajednicama. Ona je rekla:

Ja koristim puno tehnika koje smo naučili i studenti su uzbuđeni zbog novih vještina. Ponovo je dokazano da je dizajn projekta Aktivni građani bio jedan od najboljih i najkorisnijih programa koje sam pohađala.
